Forever Lawn, Inc.
2538 Lake Debra Drive, #23-110
Orlando, FL 32835

Dear Ty,

I am writing to you about a month after you completed the installation of *Forever Lawn* in our Early Childhood Center playground.

You have made our children, their parents, our teaching staff and myself extremely pleased with the new look of our playground. Our parents could not believe how much of a change both aesthetically and safety wise the installation has made to the area.

I also want to thank you for completing the installation in a timely matter and the professionalism that you and your staff demonstrated during the days that you spent at our facility.

I will be pleased to be a reference for future inquiries about Forever Lawn.

Cordially,

Gerald Taub
Executive Director
